EATON DETROIT SPRING EASES INSTALLATION ISSUES

- DETROIT, MI, SEPTEMBER 12, 2006: **EATON Detroit Spring** announces its new line of Leaf Spring Installation Kits. Now your customer can have all the necessary installation hardware for one set of leaf springs in one SKU. This allows a convenient upsell for the counter person, and alleviates multiple trips back to the store for the customer. Leaf Spring Installation Kits are available for most Street Rod, Custom and Muscle applications.
